Action to be taken: Paragraph 5

Related documents: C 116/4/1; Circular Letter No.3574; C 114/D and C 114/3/2

Background

1 Circular Letter No.3574 requested Member States, intergovernmental organizations and non-governmental organizations in consultative status to submit inputs on trends, developments and challenges (TDCs) facing the IMO and the maritime community in the period 2018 to 2023 by 31 December 2015.

2 Inputs received can be found on the following webpage:
<http://www.imo.org/en/About/strategy/TDC/Pages/default.aspx>

3 The Secretariat, in consultation with the external consultant, has collated and organized the inputs into a draft TDCs document for consideration at the second session of the Working Group on the Development of a New Strategic Framework.

4 As the Council agreed to the importance of ensuring an inclusive process, the TDCs document has been submitted to the Council as C 116/4/1.

Action to be taken by the Working Group

5 The Working Group is requested to consider document C 116/4/1 and decide as appropriate.
