Membership of the Organization

1 Since the twenty-eighth extraordinary session of the Council and the twenty-ninth regular session of the Assembly, held in November and December 2015, there has been no change in the membership of the Organization, which continues to stand at 171. There has also been no change in the number of Associate Members, which continues to stand at three.

2 The Council will recall that the Federated States of Micronesia had previously expressed an interest in joining the Organization and in March this year the Secretariat was informed that progress is being made towards their acceptance of the IMO Convention. Two further States, the Republic of Rwanda and the Republic of Armenia, expressed their interest in joining the Organization in 2015 and were provided with the relevant information. Since the Federated States of Micronesia, the Republic of Rwanda and the Republic of Armenia are Members of the United Nations, they may, pursuant to Article 5 of the IMO Convention, become Members of the Organization by depositing the requisite instrument of acceptance of the Convention with the Secretary-General of the United Nations, in accordance with the provisions of Article 76. No formal application for membership has, as yet, been received from these three States.

3 A list of the whole membership of the Organization can be found in the annex to this document. Any further developments regarding the status of the Convention and membership of the Organization will be reported to the Council, as appropriate.
