Related document: TC 67/3(a)

1 The Technical Cooperation Committee (TCC) at its sixty-fifth session and the Council at its 114th session, approved¹ a programme of allocations from the Technical Cooperation (TC) Fund to support the implementation of activities under the Integrated Technical Cooperation Programme (ITCP) for the 2016-2017 biennium.

2 In accordance with the Rules of Operation of the TC Fund, a report is submitted to the Council annually on the implementation of activities financed or co-financed by the TC Fund. It may be recalled that following the decision of C 98 relating to the TC Fund, the report to TCC on the TC Fund has since been integrated within the annual reports on the ITCP.

3 Taking into account the principle of streamlining reporting practices, the Council's decision pertaining to the reduction in the volume of documents, and the fact that the activities financed or co-financed by the TC Fund are clearly marked under an allocated column, the Council is referred to the ITCP Annual Report for 2016 (TC 67/3(a)) submitted to TC 67. Additionally, details of TC Fund expenditure during 2016 can be found in annex 2 to the ITCP Annual Report for 2016 (TC 67/3(a)/Add.1).

¹ Refer to TC 65/16, paragraph 4.6, C 114/10/Add.1, paragraph 12 and C 114/D, paragraphs 5.11(ii) and 11(b).3.

Action requested of the Council

4 The Council is invited to note the ITCP activities supported by the TC Fund resources, as outlined in document TC 67/3(a), and to comment as it deems necessary.
