1 Rule 10 of the Rules and Guidelines for Consultative Status of Non-Governmental International Organizations with the International Maritime Organization ("the Rules and Guidelines") requires the Council to review, from time to time, the list of non-governmental international organizations to which consultative status has been granted, in order to determine whether the continuance of that status in any particular case is necessary and desirable; and to report to the Assembly accordingly. In pursuance of this rule, the Council undertakes periodic reviews.

2 The previous review by the Council was completed at its 114th session, in 2015, and a report was submitted to the twenty-ninth regular session of the Assembly. The present document provides the Council with information for the aforementioned review, comprising:

- the current list of non-governmental organizations which have been granted consultative status with IMO (annex 1);
- information on the participation at IMO meetings of non-governmental organizations in consultative status with IMO, from 1 March 2015 to 28 February 2017 (annex 2); and

- information on IMO Secretariat attendance at meetings of non-governmental organizations in consultative status with IMO from 1 March 2015 to 28 February 2017 (annex 3).

3 In addition, the Council may refer to the individual reports submitted by the non-governmental organizations in consultative status with IMO in compliance with rule 10 of the Rules and Guidelines. The reports are expected to describe how the organizations in consultative status have contributed to the work of the Organization during the period under review. For reasons of economy, these reports have not been reproduced in this document but are available on IMODOCS: <https://docs.imo.org/Category.aspx?cid=749>.

4 In accordance with rule 10 referred to above, the conclusions and recommendations of the Council on this item will be submitted to the thirtieth regular session of the Assembly for consideration and action, as appropriate.

#### **Action requested of the Council**

5 The Council is invited to consider the information provided in this document with respect to the organizations listed in annex 1 and decide whether they should retain their consultative status.
