2 As shown in table 1, the total amount due to the Organization, as at 30 April 2017, amounted to £7,456,729. Details of individual Member States' contributions and their status under the terms of Article 61 may be found in annex 1, with a separate schedule showing the status of Council Members' contributions attached in annex 2.

3 As at 30 April, 79.48% of current-year assessments had been received. This compares favourably with the collection rate at the same date of 57.24% in 2015 and 77.99% in 2016.

4 By the reporting date of 30 April 2017, of the 171<sup>2</sup> Member States and three Associate Members included in the Notice of Assessment, 81 had made full payment of their 2017 assessment, 59 had made partial payment and 34 had made no payment. Comparative figures for the past two years are given below.

**Application of Article 61 of the IMO Convention – 29th regular session of the Assembly**

6 A total of 34 Members, excluding the former Socialist Federal Republic of Yugoslavia, fell under the provision of Article 61 as at 1 January 2017, details of their balances at that date being shown in annex 3. Between 1 January 2017 and 30 April 2017, the Plurinational State of Bolivia, the Arab Republic of Egypt, the Lebanese Republic, Turkmenistan and the Eastern Republic of Uruguay cleared their arrears in full and partially paid for 2017, whilst Libya, the Republic of Namibia, the former Yugoslav Republic of Macedonia, and the Republic of Yemen cleared their arrears in full up to 2016. Consequently, these nine Members no longer fall under the provision of Article 61. Of the 25 Members falling under the provision of Article 61 as at 30 April 2017, the Republic of Mozambique, the Republic of Senegal and the Democratic Republic of Timor-Leste partially paid for 2016, and the Union of Comoros cleared its arrears in full for 2012 and partially paid for 2013. No additional payments have been received from the remaining 21 Member States.

7 The Council may wish to note that, of the 25 Member States which still had arrears outstanding for 2016 and/or prior years at 30 April 2017, 16 have arrears for 2016, three have arrears from 2014 and six have arrears from 2013 or earlier years. The situation regarding the age of contributions in arrears by Member States, as at 30 April 2017, is summarized in table 3 below.

**Table 3**

<b>Ageing of Member States' Arrears as at 30 April 2017</b>							
	<b>Fully paid</b>	<b>Earliest year outstanding</b>					<b>Total</b>
		2017	2016	2015	2014	2013 or earlier	
Number of Member States	81	68	16	0	3	6	174 <sup>2</sup>

8 The Secretariat regularly reviews the situation with respect to Article 61 and reminders are sent on a quarterly basis to the Member States with outstanding balances. The Acting Director of the Administrative Division, in February of this year, contacted Member States' Ambassadors, High Commissioners and Permanent Representatives, seeking their assistance in expediting the payment of assessments due from their Governments. It will be recalled that it is incumbent upon all Members to pay their annual contributions within 30 days of receipt of the notice of assessment or on the first day of the calendar year to which they relate, whichever is later.

9 In this respect, the Council will be aware that the Republic of Belarus became a Member of IMO on 29 November 2016. However, the Secretariat did not receive notification of the Republic of Belarus's deposit of its instrument of acceptance of the IMO Convention until January 2017. As a result, the Republic of Belarus was not included in the calculation of the 2017 assessment at the time of its issuance. An assessment for the budgetary contribution of the Republic of Belarus has since been calculated in accordance with the scale applicable

<sup>3</sup> This figure excludes the amount of £355,063 due from the former Socialist Federal Republic of Yugoslavia. There has been no further update from the United Nations Secretariat regarding the pre-dissolution arrears of the former Socialist Federal Republic of Yugoslavia.

to existing Members of the Organization in respect of the remaining one full month of 2016 and the 12 months of 2017, and for an appropriate advance to the Working Capital Fund in accordance with Financial Regulation 5.8.

### **Advances to the Working Capital Fund**

10 The Assembly, by means of resolution A.837(19) adopted on 23 November 1995, increased the Organization's Working Capital Fund (WCF) to a level of £2 million by transfers from the surpluses of the then-Printing Fund. The WCF has also been increased by the amounts which new Members are required to pay in accordance with the scale of contributions applicable to the budget of the year of their accession. The WCF balance, as at 30 April 2017, amounted to £1,109,654. The advances to the WCF from Members totalled £142,198, of which £117 remained unpaid by the Republic of Belarus, the Democratic Republic of Sao Tome and Principe and the Republic of Zambia as at 30 April 2017. In accordance with IPSAS and following advice from the External Auditor, the advances to the WCF from Members have been shown as a liability in paragraph 12, which better reflects the provisions of financial regulation 6.3, that "Advances made by Member States to the Working Capital Fund shall be carried to the credit of the Members which have made such advances".

11 On a separate matter, the Council will recall that Assembly resolution A.1100(29) authorizes the Secretary-General to account, under the WCF, for the currency gains or losses in the regular budget arising from differences between the United Nations operational rate of exchange and the rate against the pound sterling adopted for calculation of the annual appropriations. The most recent update on the balance of the fund when it stood at £1,363.678 as at 31 October 2016 was provided in document C 117/5(b)/Add.1. Since the issuance of that document there has been a transfer of £213,839 from the WCF as a result of such differences.

12 The WCF balance of £1,577,517 as at 30 April 2017 comprised:

	£
Treasury deposits	1,251,198
Carried to the credit of Members	(142,081)
Sums due from the General Fund under Assembly resolution A.1100(29), and other receivables	<u>468,400</u>
Total Net Assets/Reserves	<u>£1,577,517</u>

### **Action requested of the Council**

13 The Council is invited to:

- .1 take note of the information contained in this document;
- .2 reiterate its firm stance on the strict enforcement of Article 61 of the IMO Convention;
- .3 urge all Members that have not yet done so to fully meet their financial obligations to the Organization as early as possible; and
- .4 otherwise, decide as it may deem appropriate.
