(a) Matters relating to the implementation of Article 17 of the IMO Convention (agenda item 18(a))

18(a).1 The Council considered matters relating to the implementation of Article 17 of the IMO Convention, prompted by the information contained in document C 96/18(a).

18(a).2 Following a wide-ranging initial discussion, the Council requested the Secretary-General to undertake a study of the issue of geographical representation in the Council, including a comparison of the practice of other specialized agencies of the United Nations, of similar membership and with similar constitutions, for submission to the ninety-seventh session of the Council, in November 2006. The Council further requested that the study be issued as early as possible, in order to facilitate Member States wishing to submit comments and proposals on the matter.
