He has the honour to invite representation at the ninety-sixth session of the Council of IMO which will open at 9.30 a.m. on Monday, 19 June 2006 at the Headquarters of the Organization, 4 Albert Embankment, London SE1. The session is expected to finish its work on Friday, 23 June 2006.

The provisional agenda for the session is attached and supporting documentation will follow in due course.

The Secretary-General would be grateful if he could be advised, as soon as possible, of the names of the representatives designated to attend the Council at its ninety-sixth session and also the names of any alternates and advisers.

Attention is invited to that part of rule 9 of the Rules of Procedure of the Council which states that credentials of representatives and alternates, if any, should be submitted to the Secretary-General not later than the opening day of the Council. The Secretary-General would therefore appreciate receiving credentials before the opening of the session, so that he may present his report immediately after the adoption of the agenda.

Attention is further invited to the security arrangements operating at IMO Headquarters as shown at annex.
