

This form shall be submitted by an EASA training organisation who have a student who wish to take the theoretical examination for the Swedish Transport Agency. The form will have to be signed by the student.

Examination procedure

- Send this form and necessary attachments as a PDF-file to certifikat.w3d3@transportstyrelsen.se
- The student will receive an invoice and an e-mail containing username and password to the theoretical examination system. The student shall then contact an invigilator to make an appointment for the examination.
- A list of invigilators is found on the Swedish Transport Agency's website:
<https://transportstyrelsen.se/en/aviation/Flight-Training-and-Licensing/theoretical-examination/invigilators/>

Applicant information

Name of applicant		Date of birth (non-Swedish citizens)/ Personnummer (Swedish citizens)
Street or box		
Postal code	City	
Phone number	E-mail address	
<input type="checkbox"/>	I have been in contact with one of the Swedish Transport Agency's invigilators and have ensured that an examination facility is available for taking my examinations.	
<input type="checkbox"/>	<p>I accept that the Swedish Transport Agency registers me for theoretical examination according to the information in this form. I will upon registration receive an invoice with a fee for each subject. The initial fees contains one try per subject, in case of a re-test I will be charged after having completed the examination. If the examination is cancelled, I will only be refunded the fees for the examinations that has not been written.</p> <p>Current fees for theoretical examinations are established in "Transportstyrelsens föreskrifter om avgifter", TSFS 2016:105.</p>	
<input type="checkbox"/>	<p>I hereby confirm that I will not communicate with anyone during the examination except the invigilator, I will not in any way record any information from the tests or bring anything else than approved equipment to the examination. It is not permitted to add any information to the equipment. Using any other web page than PEXO will be regarded as violating the rules. A list of approved equipment is found at:</p> <p>Theoretical examination - Transportstyrelsen</p> <p>If I attempt to violate these rules, the whole examination may be considered as failed and I will be banned to take any theoretical examination in any EASA member state for at least 12 months.</p> <p>The examination content is classified in the Public Access to Information and Secrecy Act(2009:400) and it may be illegal to share information from the tests.</p>
