Additional information
------------------------

TSL7187 – TRI/SFI,

- A.** Please tick the appropriate boxes; please note that for unrestricted privileges the assessment of competence must be performed in an aircraft.  
If LIFUS and/or Landning training privileges for aeroplane are sought no new licence will be issued until form TSL7188 has been submitted. If the applicant is uncertain about these privileges it is recommended that the applicant applies for an FFS only.
- B.** Information of the applicant  
AMC1 ARA.GEN.315 Applicant VERIFICATION OF COMPLIANCE  
By ticking this box you certify that you:  
(1) do not hold any personnel licence, certificate, rating, authorisation or attestation with the same scope and in the same category issued in another Member State;  
(2) has not applied for any personnel licence, certificate, rating, authorisation or attestation with the same scope and in the same category in another Member State; and  
(3) has never held any personnel licence, certificate, rating, authorisation or attestation with the same scope and in the same category issued in another Member State which was revoked or suspended in any other Member State.  
Incorrect information could disqualify you from being granted a personnel licence, certificate, rating, authorization or attestation.
- C.** This section is to be completed by the Head of Training of the ATO or another nominated person.  
Applicants who have completed a Part-FCL type rating course at a non-Swedish ATO must attach the following documents to the application:
- Course completion certificate.
  - ATO Approval Certificate.
  - FSTD qualification certificate.
  - Examiner's certificate documents including copy of the licence.
- Applicants for an unrestricted TRI must complete training in accordance with an ATO's approved course in an aircraft suitable for the role.
- D.** The result of the test
- E.** This section is a checklist of prerequisites for the examiner to check before the test/check. Text within brackets ( ) refers to the rating applied for. **Please note that the examiner must sign and thus affirm that he has checked all prerequisites before the test.**
- F.** Please enter the result on all relevant items. **All items are mandatory, unless otherwise specified**
- G.** Details of the flight or simulator session.
- H.** Comments regarding tested items, please indicate the item commented.
- I.** Any additional information regarding the conditions during test, simulators etc.
