

**For endorsement with category C through experience**

An applicant may apply for an extension with category C by demonstration of experience.

Performed experience must meet the following requirements:

**For complex motor-powered aircraft through experience on complex motor-powered aircraft of categories B1.1, B1.3 or B2**

- Certificate that the applicant has exercised his / her privileges as certifying staff in categories B1.1, B1.3 or B2, or as support staff in categories B1.1, B1.3, or B2 or a combination; on complex motor-powered aircraft for a total of 3 years.
- Twelve months (of the three years) must be an observation of tasks during basic maintenance (base).
- Of the total 3 years, **at least 3 months** must be completed **within the last year**
- No practical experience may be older than a total of 10 years.

**For complex motor-powered aircraft through experience on complex motor-powered aircraft of categories B1.2 or B1.4**

- Certificate that the applicant has exercised his / her privileges as certifying staff in categories B1.2 or B1.4 or as support staff in categories B1.2 or B1.4 on complex motor-powered aircraft for a total of 5 years.
- Twelve months (of the five years) must be an observation of tasks during basic maintenance (base).
- Of the total 5 years, **at least 3 months** must be completed **within the last year**
- No practical experience may be older than a total of 10 years.

**For non-complex motor-powered aircraft**

- Certificate that the applicant has exercised his / her privileges as (certifying staff) in categories B1 or B2 or as support staff in categories B1 or B2 on non-complex motor-powered aircraft for a total of 3 years.
- Twelve months (of the three years) must be an observation of tasks during basic maintenance (base).
- Of the total 3 years, **at least 3 months** must be completed **within the last year**
- No practical experience may be older than a total of 10 years.
