

INFORMATION TO APPLYING COMPANY

If the application is intended for access to airport security restricted areas (see the section “reasons for check” below), the company must submit completed forms through the airport concerned. In order to obtain application forms for records check must a person authorised by the company to obtain such forms be registered with the Swedish Transport Agency. That can be done by submitting the application “Authorisation for check of criminal records for aviation security”.

Incomplete applications will prolong the processing period. Clear legible writing.
