State the filer's name and address as well as their contact details, so we can contact them if there are any questions.

If the invoice is not to be sent to the filer, but to another recipient, specify that recipient in the Other information box.

If there is a separate invoicing address, and if a reference number is needed on the invoice, specify these in the Other information box.

Information about the vessel is stated here, including the name, port of registry and any reserved Swedish call sign. If the vessel previously had a different name from the one it has now, this can be specified in the Other information box as additional information for identification of the vessel.

Owner(s)

Information must be provided about all of the vessel's owners. If there are several owners, use the Other information box to state each one's name, personal/corporate identity number, share, address and nationality. If the space in the box is insufficient, use a *separate sheet of paper*, and make a note on the form that it has an *annex*.

If the vessel has several owners the form must specify what share of the vessel each owner acquired.
