

# BILL OF SALE

This is to certify that the following ship has been sold to the buyer/buyers stated below, and that the ownership, fully and without reservation, has been transferred to the buyer/buyers.

## Ship

Call sign/Construction number
Name of ship:

## Buyer

Name
Corporate identification number/personal identity number
Share <sup>1</sup>

## Signature

Place and date of signing	Date of ownership transfer
Seller	
Seller's signature <sup>2</sup>	
Clarification of signature	

---

<sup>1</sup> If several persons have bought the ship together, state the size of the share acquired by each person.

<sup>2</sup> If the seller is a company, the bill of sale must be signed by a person authorized to sign for the company. An excerpt from the companies' register, not older than 12 months from the signing of the bill of sale, is to be attached to the bill of sale. Alternatively a notary public can confirm that the undersigned is authorized to bind the company. If the document is notarized, an apostille also needs to be attached to the document.
