Instructions for completing form TSL7560

This form can be used for Swedish, Norwegian and Danish AOC-holders **without** prior approval. For all other EASA AOC-holders, a **prior approval** is required from Swedish Transport Agency prior to using the form.

Prior approval procedure;

The Nominated Person Crew Training (NPCT) for the AOC-holder submits the self-declaration to the Swedish Transport Agency to the following e-mail address luffart@transportstyrelsen.se. Once reviewed and approved by the Swedish Transport Agency, an approval will be sent to the NPCT and a copy must be attached to the form each time it's submitted to the Swedish Transport Agency following a combined OPC/PC. Please note that a new self-declaration must be submitted and approved once the OPC program validity period is expired.

Details on the Proficiency check (OPC/PC)

Top part self explanatory

Note for helicopter;

Multi pilot operation entered in the applicant's logbook explanation; For multi-pilot operations in single-pilot helicopters, the form of operation, name and signature of the examiner conducting the skill test or proficiency check or operator proficiency check, and the name of the operator in the case of the operator proficiency check (Ref. AMC1 FCL.050 Recording of flight time).

Multi pilot helicopter, either by certification or by 965/2012. To be checked by the examiner if the test is conducted in a multi pilot helicopter. Multi pilot helicopter is one of the following options:

- Helicopter certified for two pilots
- Helicopter certified for one pilot but regulation 965/2012 requires more than one pilot.

To be completed by the examiner

Note; For non-Swedish licensed examiners, copy (in PDF) of the examiner's privileges, license, ratings and medical certificate (if applicable) must be attached to the application.
